Comments:

Tim, we loved you!!! you were so imperative in keeping things on track--it is true that speeches go longer or people aren't as quick to move from one thing to the next but you always made sure we were hitting all the points we needed to. I can't imagine how things would have gone without your lead. Also, people paid us many compliments on the "cuts" you did (Alicia Keys and Cat Empire)...i really appreciate you taking extra time to make it exactly what we wanted. I would reccommend you to anyone looking for your services. you are professional, fun, and very very good at what you do!! thank you for everything!

Do you have any referrals we may contact?

Thank you for your valued input. We look forward to working for you or a referred event in the near future!
