Comments:

Tim Altbau is by far the best DJ I have ever worked with. I have been to a large number of weddings and corporate events and no one comes close to what he provides. From the start he was professional, fun and percise about putting on a flawless event. If you are looking for a DJ, look no further. People are still coming up to me talking about what a fantastic job Tim did. Not one person was sitting down at one point, everyone was having a blast thanks to Tim and his ability to read the crowd.
