Comments:

Tim was amazing. His great music kept the party going. All of our family members and friend complimented the DJ and his music selection. There were a few instances a certain song popped into my head that I wanted to hear and before I even requested it Tim was playing it. He kept the entire party happy which is difficult when the age range varies from mid 20s to 70s. He incorporated all types of music. We also appreciated him contacted us when someone adamantly requested from the "do not play list". We would highly recommend Tim to everyone.
