Comments:

*Prior to choosing Tim for our DJ, I definitely did my research as there were so many vendors to choose from. I probably spent more than 3 months researching every single vendor. Having the right dj was very important to us since we knew it can either make or break a wedding. After our first meeting with Tim, we instantly knew he was perfect for us. Tim was sooooo organized! And very professional. I had an idea of how we wanted the ambience and mood to be for the wedding and right on the spot he showed us tracks and 'mashups'. He listened to us and paid attention to the type of crowd on the dance floor to make sure that everyone was having fun and dancing. Not only did he do a wonderful job with the music and emcee, the lighting was perfect. There is not one thing I would have changed. Thanks Tim!!!*
