Comments:

We were completely happy with Tim's services, and we have recommended you already to others seeking dj services, and will continue to do so (I believe one contacted you but you were already booked). In the survey, no answer on interaction with guests because I didn't see or hear of examples of any, so no info on which to judge. Similarly, I gave a 5 on "requests" based on the pre-event planning for "will only consider requests from pre-chosen people," but not sure if anybody actually asked.

Do you have any referrals we may contact?

Thank you for your valued input. We look forward to working for you or a referred event in the near future!
