Comments:

At school, Daniel's party has been referred to as, "The Party of the Year!" Much of the credit goes to Effren and Daniel for playing and selecting the music that the kids like to dance to these days. We would use Effren again in a heartbeat. He was courteous, professional, engaging, and well-liked by the children. I am positive that you will receive future opportunities from this event. Tim, thank you for your professionalism and the organized manner in which you conduct your business.

Do you have any referrals we may contact? *Not at this time*

Thank you for your valued input. We look forward to working for you or a referred event in the near future!
