Comments:

*Effren was absolutely amazing! We were so happy with everything, from the way he dressed, his calm demeanor, and his on point music selections were exactly what we wanted. Although we gave him very little guidance except for the ceremony and father/daughter and first dance song, he was able to keep the guests dancing throughout the reception and played all of my favorite music, while playing the selections that made Christian happy. I am so happy we went with the purple gelled sconces as well; that truly made a difference. At first I was nervous that the purple gelled sconces would add an overpowering purple light, and be a bit cheesy, but it wasn't at all. It turned out to be a subtle purple light, which added a soft feeling to the ambiance; we loved it. All in all, we were so happy with the wedding and Effren really made a difference. He kept the crowd moving and everyone happy. After the wedding we heard many comments about how everyone loved the music and the entire wedding as a whole. We were beyond pleased; Effren deserves a raise :)*
